

# a vision for arlington

Arlington's Master Plan envisions civic connections that encourage social interaction and foster a sense of community. The plan considers a range of critical topics by focusing on how they contribute to these connections:

- Open spaces and corridors that link neighborhoods
- Thriving business districts
- Living and working opportunities for all
- Stewardship and promotion of our historic heritage
- Cultural and recreational resources that provide shared experiences
- Natural systems in ecological balance
- A walkable public realm where residents meet their neighbors
- A shared interest in community-wide fiscal health
