## TOWN CLERK

The following annual report of the Town Clerk for the year ending December 31, 2010 is herewith submitted in accordance with Section 3 of Article 3, Title I of the Town By-Laws. During 2010, the Annual Election of Town Officers, the Annual Town Meeting, two Special Town Meetings, the State Primary and the State Election were prepared for, and conducted by, the Town Clerk's Office.

The Town has twenty-one AccuVote machines, one for each precinct, and a main counting system located in the Town Clerk's Office. This system consists of paper ballots to be marked by the voters and inserted into the AccuVote machines, which automatically tally the votes appearing on the paper ballots. When the polls close, the precinct totals are immediately printed at the precinct, posted, announced and then transferred to the Town Clerk's Office on a memory card, where the precinct totals are accumulated by entering the memory cards into the main counting system. Finally, the complete official Town results are printed and announced.

Town Meeting Members whose terms were to expire at the Annual Town Election were notified of that fact and of the provision of law which allows them to become candidates for re-election by giving written notice thereof to the Town Clerk. Nomination papers were issued to candidates for Town offices including Town Meeting Members, and after being certified by the Registrars of Voters were filed with the Town Clerk. A meeting was held by the Registrars of Voters, as required by law, to draw names for position on the official ballot for the Annual Town Election.

Candidates for Town offices, except Town Meeting Members, were notified of the requirements of the law regarding the filing of periodic statements of campaign receipts and expenditures with the Town Clerk's Office. Incumbents and candidates for election during the previous year, who had campaign finance activity, a balance and/or liability were also notified of the requirements of filing annual reports.

Upon application, absentee ballots were issued for the Annual Town Election, State Primary and the State Election. Applications for absentee ballots were automatically sent to all persons who had filed physicians' certificates of permanent physical disability, as required by law. Many residents took advantage of the provision of law which allowed them to vote in person in the Town Clerk's Office prior to the elections if they were to be out of town or otherwise unavailable to vote in person at the polls on the day of the elections. A total of 2,545 absentee ballots were issued in 2010. (Annual Town Election: 628, State Primary: 473, and State Election: 1,444).

The Annual Town Meeting began on April 26th and continued for ten sessions, dissolving on May 26th. A total of seventy-eight warrant articles were acted upon.

The first article of the Annual Town Meeting is the Annual Town Election. Meetings were held prior to the Annual Town Meeting to fill vacancies in the Town Meeting membership (caused by resignation, removal from Town, or death) until the next Annual Town Election. The first Special Town Meeting began on May 10th and continued for one session, dissolving the same night. A total of five warrant articles were acted upon. The second Special Town Meeting began on November 15th and continued for one session, dissolving the same night. A total of six warrant articles were acted upon.

Certificates of all appropriations voted at all Town Meetings and the provisions for meeting them were sent to the Board of Assessors and the Comptroller, as required by law. Certified copies of all votes authorizing indebtedness were sent to the Director of Accounts. The Secretary of the Commonwealth was notified of the acceptance by the Town Meeting of any provisions of the General Laws. In addition, certified copies of all votes passed at all town meetings were sent to the departments affected.

All the amendments to the Town By-Laws and Zoning Bylaws as voted at the Annual Town Meeting were submitted to the Attorney General and were approved within the statutory period provided. They were then advertised for two successive weeks in the local newspaper, as required by law, following which they took effect.

A summary of the Annual Town Meeting appears in the Legislative section of this Annual Report. A complete record of the actions taken is contained in the Records of Elections and Town Meetings in the Town Clerk's Office as well as online at [www.arlingtonma.gov/elections](http://www.arlingtonma.gov/elections).

Births, deaths and marriages were recorded and copies forwarded to the Secretary of the Commonwealth monthly. Certified copies of these vital statistics and all other documents recorded in the Town Clerk's Office were made available upon request.

A total of 1,628 dogs were licensed and 237 sporting (conservation) licenses were issued by the Town Clerk's Office. Certain licenses granted by the Board of Selectmen were issued. Raffle and bazaar permits and gasoline permit renewals were issued, financing statements, utility pole locations, cemetery deeds, and business certificates were recorded. Decisions of the Zoning Board of Appeals, decisions on requests for Special Permits from the Redevelopment Board and Amendments to the Traffic Rules and Orders were also placed on file in this office.

The Department of Revenue was notified of all licenses and permits issued and business certificates filed. Street permit, drainlayer, blasting, and other surety bonds covering contractors were also placed on file in this office. Oaths of office were administered to all elected or appointed Town officials and each was

## REGISTRARS OF VOTERS

As mandated by law, a combined Annual Town and School Census was conducted during the months of January and February. The census was conducted entirely by mail, with computer preprinted forms sent to each household in Arlington requesting that information contained therein be confirmed or corrected. The census forms contained the names of all persons residing in Arlington. Once returned to the Registrars' Office, all census and voter information was entered and continu-

ally updated in the Town's computer base by the Registrars' Office. A list of persons from birth to twenty-one years of age was transmitted to the School Committee.

The Jury Commissioner obtained juror information directly from the Massachusetts Voter Registration Information System from data entered into the system by this office. The Annual True List of Persons, seventeen years of age and over, was published as required by law. In accordance with the True List information that had been presented, notices were sent by first-class mail, as required by law, to persons whose names were to be removed from the voting list because they had not been reported as residing in Arlington on January 1, 2010. Those who proved residence were reinstated. The total number of registered voters upon completion of the annual revision of the voting list was 30,010. The following number of voters in the three political parties are as follows: 14,541 enrolled Democrats, 2,282 enrolled Republicans, and 13,045 unenrolled voters. Voters who enroll in a political designation may not vote in any state or presidential primary. Cards were mailed to voters acknowledging receipt of change or cancellation of political party enrollments received during the year by this office.

Total Registered Voters	30,010	29,887	28,676
Democrats	14,541	14,510	14,123
Unenrolled (Independent)	13,045	12,959	11,964
Republican	2,282	2,275	2,419

Throughout the year, daily sessions for registration of voters were held during regular business hours in the Office of the Town Clerk. Special sessions were also held until 8:00 p.m. on the last day to register vot-

ers for the Annual Town Election and State Primary and State Election.

Mail-in voter registrations have eliminated the requirement that special evening and Saturday sessions for the registration of voters be held except for the final day prior to the deadline for registration for primaries and elections. Special forms for mail-in voter registration were made available at various locations throughout Arlington and all other cities and towns in the State.

In addition, persons were allowed to fill out voter registration affidavits at public offices throughout Massachusetts, such as the Registry of Motor Vehicles, Social Security, Welfare, Medicaid, Food Stamps, Military Recruitment Offices and other State and Federal departmental offices. These affidavits were forwarded through the computer or by mail to the Registrars of Voters or Election Commissioners of the voters' places of residence. As required by law, acknowledgment forms were sent to persons who registered to vote at special locations, or mailed in registration affidavits, notifying them of their precincts and voting places.

The Board certified voter signatures appearing on nomination papers filed by, or on behalf of candidates seeking offices at the Annual Town Election, State Primary and State Election. Also certified are petitions for articles to be inserted in the warrant for the 2010 Annual Town Meeting and applications for absentee ballots for the Annual Town Election. After nomination papers

for the Annual Town Election had been certified by the Registrars of Voters and filed with the Town Clerk, the Registrars of Voters held a meeting to draw names for the order of position on the official ballot for the election, as required by law.

During the year, the information contained on approximately 20,000 census forms of residents of the Town on January 1 was transferred to their individual master cards. These cards provide a complete official record of residence for all persons seventeen years of age or older from the time they first become residents of the Town. From such information, certificates of residence are issued daily to establish eligibility for attendance at state and regional schools, colleges and universities, receipt of old age assistance, veterans' services, social security, employment in state or federal civil service, and for many other purposes. In addition, Registered Voters' Certificates were issued throughout the year from the Board's records for identification purposes and for proof of citizenship.

During the Annual Town Election, the Registrars of Voters were in session throughout the entire time the polls were open to assist voters who had questions relating to registration, name and/or address changes, precincts, polling places, and other problems arising during that time. After the polls closed, the Registrars assisted in the tabulation of the ballots until the final results were announced.

## QUESTION 1: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?

### SUMMARY

This proposed law would remove the Massachusetts sales tax on alcoholic beverages and alcohol, where the sale of such beverages and alcohol or their importation into the state is already subject to a separate excise tax under state law. The proposed law would take effect on January 1, 2011.

A YES VOTE would remove the state sales tax on alcoholic beverages and alcohol where their sale or importation into the state is subject to an excise tax under state law.

A NO VOTE would make no change in the state sales tax on alcoholic beverages and alcohol.

## QUESTION 2: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?

### SUMMARY

This proposed law would repeal an existing state law that allows a qualified organization wishing to build government-subsidized housing that includes low- or moderate-income units to apply for a single comprehensive permit from a city or town's zoning board of appeals (ZBA), instead of separate permits from each local agency or official having jurisdiction over any aspect of the proposed housing. The repeal would take effect on January 1, 2011, but would not stop or otherwise affect any proposed housing that had already received both a comprehensive permit and a building permit for at least one unit.

Under the existing law, the ZBA holds a public hearing on the application and considers the recommendations of local agencies and officials. The ZBA may grant a comprehensive permit that may include conditions or requirements concerning the height, site plan, size, shape, or building materials of the housing. Persons aggrieved by the ZBA's decision to grant a permit may appeal it to a court. If the ZBA denies the permit or grants it with conditions or requirements that make the housing uneconomic to build or to operate, the applicant may appeal to the state Housing Appeals Committee (HAC).

After a hearing, if the HAC rules that the ZBA's denial of a comprehensive permit was unreasonable and not consistent with local needs, the HAC orders the ZBA to issue the permit. If the HAC rules that the ZBA's decision issuing a comprehensive permit with conditions or requirements made the housing uneconomic to build or operate and was not consistent with local needs, the HAC orders the ZBA to modify or remove any such condition or requirement so as to make the proposal no longer uneconomic. The HAC cannot order the ZBA to issue any permit that would allow the housing to fall below minimum safety standards or site plan requirements. If the HAC rules that the ZBA's action was consistent with local needs, the HAC must uphold it even if it made the housing uneconomic. The HAC's decision is subject to review in the courts.

A condition or requirement makes housing "uneconomic" if it would prevent a public agency or non-profit organization from building or operating the housing except at a financial loss, or it would prevent a limited dividend organization from building or operating the housing without a reasonable return on its investment.

A ZBA's decision is "consistent with local needs" if it applies requirements that are reasonable in view of the regional need for low- and moderate-income housing and the number of low-income persons in the city or town, as well as the need to protect health and safety, promote better site and building design, and preserve open space, if those requirements are applied as equally as possible to both subsidized and unsubsidized housing. Requirements are considered "consistent with local needs" if more than 10% of the city or town's housing units are low- or moderate-income units or if such units are on sites making up at least 1.5% of the total private land zoned for residential, commercial, or industrial use in the city or town. Requirements are also considered "consistent with local needs" if the application would result, in any one calendar year, in beginning construction of low- or moderate-income housing on sites making up more than 0.3% of the total private land zoned for residential, commercial, or industrial use in the city or town, or on ten acres, whichever is larger.

# TOWN CLERK & ELECTIONS

---

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.  
A YES VOTE would repeal the state law allowing the issuance of a single comprehensive permit to build housing that includes low- or moderate-income units.

A NO VOTE would make no change in the state law allowing issuance of such a comprehensive permit.

## **QUESTION 3: LAW PROPOSED BY INITIATIVE PETITION**

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?

### **SUMMARY**

This proposed law would reduce the state sales and use tax rates (which were 6.25% as of September 2009) to 3% as of January 1, 2011. It would make the same reduction in the rate used to determine the amount to be deposited with the state Commissioner of Revenue by non-resident building contractors as security for the payment of sales and use tax on tangible personal property used in carrying out their contracts.

The proposed law provides that if the 3% rates would not produce enough revenues to satisfy any lawful pledge of sales and use tax revenues in connection with any bond, note, or other contractual obligation, then the rates would instead be reduced to the lowest level allowed by law.

The proposed law would not affect the collection of moneys due the Commonwealth for sales, storage, use or other consumption of tangible personal property or services occurring before January 1, 2011.

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would reduce the state sales and use tax rates to 3%.

A NO VOTE would make no change in the state sales and use tax rates.

## **QUESTION 4**

THIS QUESTION IS BINDING

Shall the Board of Selectmen be authorized to grant up to 3 licenses for the sale of all alcoholic beverages not to be drunk on the premises in replacement of up to 3 existing licenses for the sale of wines and malt beverages not to be drunk on the premises?

## **QUESTION 5**

THIS QUESTION IS NOT BINDING

Shall the state representative from this district be instructed to vote in favor of a non-binding resolution calling on the federal government to support the right of all people, including non-Jewish Palestinian citizens of Israel, to live free from laws that give more rights to people of one religion than another?
