Town Meeting

Arlington's Legislative body, Town Meeting, held its 207th Annual Meeting and a Special Town Meeting over the course of six sessions. The Special Town Meeting comprised one full evening, the Annual Meeting took five evenings, the shortest in recent memory.

During the first night activities the State of the Town Address was given under Article Two and an invocation. Each session thereafter started with the singing of the National Anthem accompanied by Town Meeting members Jane Howard and Charles Gallagher on the piano.

Warrant Articles

The most important Vote at the 2013 year's Annual Town Meeting, was not the passage of our Budget and Capital Plan, the leaf blower bylaw compromise (passed), nor the plastic water bottle ban (failed). It was the unceremonious and near unanimous, No Ac-

tion vote on Article 22, which sought home rule legislation for the creation of an appointed "coordinated department of municipal finance" and the dissolution of the elected Treasurer's position.

Town Meeting is not only a forum for public opinion, debate and governance, but an essential element in preserving the democratic process and protecting the rights of the voters. Town Meeting voted down Article 22 as it would have disenfranchised the voters' right to freely elect their Treasurer as provided for under the Town Manager Act.

Town Meeting's vote on Article 22 assured that all Town governmental officials will remain, answerable to the very people that elected them and over whom they govern. The right to elect all of our Town officials is an essential element in preserving transparency in the democratic process.

In keeping with the theme of transparency in Government, Town Meeting allocated funds for the 2014 Annual Town Meeting to use an electronic voting tally and display system. The system as proposed by the Electronic Voting Study Committee will record the votes of each individual Town Meeting Members, which votes will be available to the public following the meeting. The citizens of Arlington will be able to see how their precinct representatives at Town Meeting voted. Accountability in government was the watchword for this Town Meeting.

Budgets

After a debate lasting two nights on the omnibus budget, the capital budget, and a multitude of warrant articles calling for other appropriations, a balanced budget of \$132,320,744.00 passed. The Special Town Meeting approved an appropriation of \$25,000 for the purpose of building a Visitor Center for the Town at Uncle Sam Plaza.
