

Summer is here!

Insulation helps keep the heat out

The Sponsors of Mass Save® offer up to **100% off the cost** of air sealing and **75% off** recommended insulation for single-family homes.

Heat pumps provide quiet, comfortable air conditioning

You may qualify for up to \$10,000 in Mass Save heat pump rebates.

Homeowners may also qualify for a federal tax credit of \$2,000.

Income-based assistance is available*

- Up to 100% off the cost of approved heat pump systems OR rebate up to \$16,000, based on household income**
- Up to 100% off the cost of removing knob-and-tube wiring and other barriers to home weatherization

The first step is a no-cost Home Energy Assessment

The Town of Arlington has partnered with HomeWorks Energy to provide Home Energy Assessments and weatherization services

Go to **HWE.Works/Arlington** or call **781-305-3319** to schedule an appointment.

Check out the resources on the Electrify Arlington website: **ArlingtonMA.gov/electrify**

Arlington residents with their heat pump

*Visit MassSave.com/income to see the eligibility details.

**Your home's current heat source must be oil, propane, or electric resistance to qualify.

Some restrictions apply and offers are subject to change or cancellation. Visit MassSave.com/HEA for more information.

Insulate your home: Make it more comfortable and reduce your energy use

Install heat pumps and other electric appliances: Reduce your greenhouse gas emissions and make your home more comfortable in the summer

Install solar panels: Save money if your roof has a good solar exposure

Re-think how you get around: Get an EV or e-bike, use public transit more, walk, bike, etc.

The Electrify Arlington website has lots of helpful information:

- Financial resources for energy-efficient homes
- Heat pumps and heat pump installers
- Water heater options
- Solar panels
- Electric vehicles
- And more!
